Want to reach a highly focused readership of over 1,000 professional writers in universities, corporations, and government laboratories throughout the world?

As an informational aid to its readers, the *Research in Word Processing Newsletter* invites companies and colleges to insert preprinted, ready-to-be-inserted announcements, advertisements, or product brochures into future issues. Contact the Editors at (605) 394-2481 for information about the nominal charge.

Articles & Reviews Welcome

The *Newsletter* welcomes article submissions that pertain to word-processing, text-analysis, and research applications in professional writing situations, either corporate or academic. Also, hardware and software reviews are encouraged, but please contact Dr. Jim Schwartz, Hardware/Software Review Editor, **before submitting them** (call Jim at 605-394-1246). Manuscripts should be submitted on MS-DOS 5¼" floppy disks or in hardcopy format.
